JFS 01305 (Rev. 6/2015)
CACFP
ENROLLMENT FORM

Requirements:

a. CACFP child care centers and Head Start centers must have a completed CACFP Enrollment Form on file for each enrolled child. Siblings must have a separate form as attendance may be different.

b. The CACFP Enrollment Form is valid for 12 months following the month of parent/guardian dated the form. For example: Parent dated the form on 7/13/2016; form would expire on 7/31/2017). CACFP Enrollment forms must be completed annually by parent/guardian.

c. The following CACFP program types DO NOT need CACFP Enrollment forms:
   • Outside-School Hours Centers
   • Youth Development Programs
   • After School At Risk Programs
   • Emergency Shelters

Enrollment Form Reminders

• List one child per form

• All parts of form to be completed by parent/guardian including normal days, hours and meals

• If parent/guardian work schedule varies frequently thus the child’s attendance pattern will also change frequently then parent should check the box at the bottom of the chart. Parent/guardian is not required to complete another form but may elect to do so.

• For ease of collection, it is highly recommended that agencies/centers distribute enrollment forms to parents/guardians at the same time as the Income Eligibility Application so that it is more likely that the forms would expire on the same date.

• If sponsor decides to develop own CACFP enrollment form, form contain all required information and be approved by State Agency prior to use.

Parent/Guardian Consent to Share Information and Access Medicaid
The Ohio Medicaid School Program
Potential Development Program

Potential Development Schools has the opportunity to receive Federal Medicaid dollars through a program called the Medicaid School Program (MSP). Through this program, school districts can receive Medicaid dollars for services such as Speech, Audiology, Physical Therapy, occupational Therapy, Nursing, Psychology, Counseling and Social Work services. The district can received Medicaid funding when a student receives one or more of these services and the students has current Medicaid Insurance coverage. In the process of billing Medicaid for these services, certain billing information must be shared with the Ohio Department of Jobs and Families Services. Before the district can submit claim data for Medicaid billing purposes, we must first obtain a signed Parental Consent to Share Information and Access Medicaid.

Your consent is voluntary. You have the right under 34 CFR Part 99 and Part 300 to withdraw your consent at any time. You are not required to enroll in Medicaid. Billing Medicaid will not require you to incur any out-of-pocket expenses such as a deductible or co-pay, decreased lifetime coverage, increase premiums or lead to the discontinuation of benefits, or result in you paying for services that would otherwise be covered by Medicaid. No matter whether you grant consent, refuse consent or revoke consent your child will be provided with an evaluation and/or services listed in their IEP at no cost to you.

☐ I understand and agree to give permission to Potential Development Program to share my child’s IEP records in order to bill Medicaid

☐ I do not give permission to Potential Development to share my child’s IEP records in order to bill Medicaid.
