

Potential Development PTO Welcomes You!!

We would like to extend a warm welcome to all parents and students!

The Potential Development PTO is a committee made up of volunteer parents, family members and staff who work together throughout the school year to provide special events, activities and supplies for students and staff. Volunteers work to organize fundraisers and provide fun activities to help enhance our students experience at Potential Development. Monies raised by the PTO provide additional support to a wide variety of valuable programs and school improvements.

We encourage parents, family members and staff to become a part of the PTO. Choose a level of participation that is comfortable for you. Whether you have time during the day or during the evening, every week or once a year...your involvement can make a difference!

Potential Development Membership Form: Our membership is FREE!! Please fill out the membership form and select from the variety of ways you would like to help volunteer. You can donate supplies, food, assist in planning fundraisers or volunteer for classroom activities. Please review the attached volunteer sign-up sheet for these various opportunities. We appreciate any way you can help!

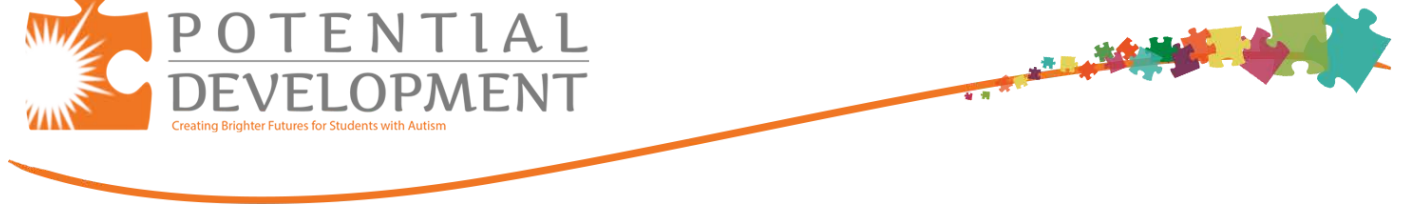

Please return forms to front desk.

For more information, please contact Jodi Harmon at 330-746-7641 X164 or via email at

Jodi@PotentialDevelopment.org

We look forward to working with you and to a wonderful year at Potential Development!

Thank you for your support!
