The Roux Scholarship was originally designed to help high school students with limited monies, seek out higher education and live a successful life. The fund has evolved in its mission over the years and is now providing scholarships to teachers and educators working with students with Autism, seeking out career advancement education. We believe investing in their education will continue to have great benefits to the students at Potential Development School for Autism, a school serving preschool through 12th grade.

****Checks made payable to Bill Roux Memorial Scholarship Golf Fund (Registered 501 (c)(3) 45-3171142) Mail registration forms and checks by June 12th to:**

Potential Development School for Autism - 2405 Market Street, Youngstown, OH 44507
