

MESSAGE FROM THE CEO

The end of the school year is fast approaching. It has been a tremendous year of incredible growth for our school, with our fabulous outdoor fitness center planned and dedicated, the start of a new esports program, three new members of the Board introduced, many fun holiday parties, several interesting guests who have shared their expertise and numerous exciting field trips.

In addition to our strong academic and life skills programs, we worked very hard to ensure that students had many activities to participate in such as bowling, track, art therapy, swimming, basketball, pep rallies, sports banquet, prom, workforce speakers and educational trips.

This time of the year is dedicated to our seniors who will graduate on Friday, July 7. We wish Caleb, Isaiah, Armando, Brayden, Logan, Zyaire, Logan, Alvonser, Machenzie, Jarrod, Jacob, Malachi, Riley and Justin the very best and encourage you to stay in touch with us. Congratulations!

Our new website is in production with incredible information for all families. We thank everyone who took the time to submit the surveys, which are important ways for us to know how to plan for the future.

I'd like to take this time to wish everyone a safe and happy summer!

Sincerely,

Paul

CONGRATULATIONS GRADUATES!

Let's have a big round of applause for our 2023 Seniors who will graduate on Friday, July 7, 10:00 a.m. at Stambaugh Auditorium. Plan on joining us to celebrate our new High School graduates.

All three schools will be closed that day so everyone can join in the celebration!

AMY AND TONY DAPRILE SUPPORT THE ESPORTS PROGRAM

Programs and activities are only as good as the support they receive. Our esports program continues to grow under the direction of Mr. Justin, who showed Tony and Amy Daprile of the **Daprile Insurance Group, LLC** the upgraded classroom at the high school where the magic happens! Tony and Amy recently provided significant financial support to ensure that our students have all of the tools to continue to benefit from this fast-growing activity. **We appreciate their ongoing commitment and generosity to our school!**
