Student Art Shows

Students from the high school and elementary/middle schools showed off their creativity at this year's art shows! From colorful paintings to impressive sculptures and drawings, the talent on display was amazing!!

PD Track Meet

This past month, Potential Development held its first-ever track meet! Students participated in events like relays, long jump, and the mini javelin throw. The day was filled with energy, encouragement, and the kind of teamwork that builds lasting friendships. A heartfelt thank-you to Mr. Dustin and Ms. Debbie for organizing such a meaningful and successful event!

Safari Day at the Preschool

Preschool students had a wild adventure during Safari Day, hosted by our occupational and speech therapy teams! They explored animal sights, sounds, textures, made their own animals to take home, and enjoyed a fun snack!

Student Artist DJ James

On Tuesday, June 24, the high school spotlighted DJ's incredible talent with a solo 3D art show. Each class visited the exhibit, and staff selected favorite pieces to take home using special school tokens.

DJ's creativity and craftsmanship were on full display. There's no doubt he has a bright future in the arts!

Sports Banquet

At our year-end sports banquet, we honored our incredible student athletes, YSU English Festival participants, and Interact Club members. It was a wonderful evening recognizing the dedication of the students and the coaches who make these programs possible!

Congratulations Graduates!

Congratulations and best of luck to our 2025 graduates:
